

PEER to PEER NETWORKING

This session is designed in the spirit of networking to help you get to know your fellow meeting participants. We hope this will allow you to meet people you may not have done normally. Most of all we hope that you will identify some useful contacts and collaborations to pursue after the meeting.

If you are struggling for something to talk about, try to draw out the following from your neighbour:

- Current Focal areas**
- Issues & Challenges**
- Conservation Strategies**
- Threats**
- Lessons Learned**
- Best Practices**
